## FEATURES & BENEFITS

### Compact design, maximum convenience

Looking for a dedicated drinks fridge, extra snack storage, or a convenient solution for your office? This sleek, space-saving design provides reliable cooling without taking up unnecessary space.

### Keeps your fridge fresh

The H-DEO deodoriser helps reduce some food odours, keeping your fridge fresher for longer with no maintenance required.

### Designed for tall and small

Spacious door shelves fit 1.5L and 2.25L soft drink bottles with ease, keeping them upright and within reach so you can grab a chilled drink whenever you need it.

### Everything in its place

Adjustable shelves and door compartments make it easy to organise everything from tall bottles and fresh produce to condiments, snacks, and daily essentials.

### Cooling you can control

Whether you like crisp salads or ice-cold drinks, the manual temperature control lets you fine-tune the cooling to suit your needs.

### A stylish fit for any space

A sleek design fits into any space, while the reversible door gives you the flexibility to suit your layout.
