FEATURES & BENEFITS

Inspired Colour Choices

With a contemporary square handle and sleek stainless steel and black glass finish, this Haier oven is the perfect complement to your kitchen. The stainless steel and black glass finish is versatile enough to work in a variety of kitchen designs and creates a balanced contrast with elements such as cabinets and countertops. For those seeking more inspired colour choices to match their design aesthetic, this model is also available in black, mid grey, and light grey.

Healthier Cooking

The options are endless with our specialised Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Versatile Oven Functions

Seven specialised cooking functions help you to cook a range of dishes, including Pizza Plus and Pastry Plus for a perfectly cooked base or golden pastry crust.

Easy Cleaning

Self-cleaning catalytic side panels in the oven help to absorb and break down fat and splatters during cooking. The oven door and inner glass can also be removed for full access to the interior when cleaning.

Considered Features

Designed for effortless handling, this oven has a soft-close door, telescopic shelf runners and a triple-glazed glass door that remains safe to touch from the outside.

Intuitive Control

Simple stainless steel dials and a convenient touch display provide easy and convenient control over your cooking. Time your cooking effortlessly using the minute timer or program cooking duration.
