507L 600 Series Quad Door Refrigerator Freezer, Ice & Water, Plumbed

600 Series

Black | French hinge

Switch Zone™ technology and Humidity Zone drawers help to create the ideal environment for various foods, with a modern flat door design.

- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C
- Plumbed-in water dispenser and automatic ice maker
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria*

DIMENSIONS

Height	**1775 mm**
Width	**830 mm**
Depth	**705 mm**

FEATURES & BENEFITS

Switch Zone™ Flexibility

When you need extra space, Switch Zone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature from -18°C to +5°C.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Ice And Water

The automatic ice maker delivers a constant supply of ice in your freezer, and a slimline door water dispenser provides fresh chilled water.

Anti-Bacterial Treatment (ABT) protection

Air is circulated through an advanced ABT filter that kills up to 99.9% of bacteria,* helping to ensure a fresh and hygienic storage environment for your food.
*Independently tested to remove greater than 99.99% of Staphylococcus aureus, Escherichia coli, Listeria monocytogenes, Salmonella aertrycke, Shigella sonnet and Yersinia enterocolitica.

Considered Design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights. Available in a black or Satina finish, to suit any kitchen design.

4 Star Energy Rating

This quad door refrigerator looks after your fresh foods with an impressive 4 star energy rating.
