FEATURES & BENEFITS

Low Current Induction

This compact induction cooktop is the ideal option for replacing your gas or ceramic cooktop. With the potential to use existing wiring, this 19.7A rated current and 4.5kW rated power induction cooktop supports cost effective installations.*

Intuitive controls

With a single easy-to-use touch control and a child lock for added safety. Choose from over nine heating settings, plus a boost function, for versatile cooking.

Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.

Matching design

The sleek black aesthetic of this cooktop matches the wider Haier family of appliances, pairing well with a black glass wall oven.
