600 Series Freestanding Dishwasher, Steam, DualPower Spray Arm

600 Series

Satina

Haier's most advanced dishwasher yet makes spotless dishes simple with new technology like the DualPower Spray Arm, advanced wash programs such as Hygiene and wash modifiers like Steam and Dry+.

- Enhanced wash technology with a DualPower Spray Arm and CutleryPlus
- Generous 15 place setting capacity, easily accommodating plate sizes up to 320mm
- Eight wash programs and four wash modifiers including Steam, which helps to kill 99.99% of bacteria*.
- 5.5 star water rating, 4.5 star energy rating and 42dBA noise rating

DIMENSIONS

Height	**850 - 895 mm**
Width	**597 mm**
Depth	**599 mm**

FEATURES & BENEFITS

Enhanced for a Better Wash

Where innovation meets care, Haier's most advanced dishwasher transforms the way you wash. With the DualPower Spray Arm, CutleryPlus, fan and end-of-cycle automatic door opening for effortless drying, it's all about saving you time, energy, and effort - so you can focus on the things that matter most.

Twice the Coverage for Cleaner Dishes

Experience a more thorough clean with the new DualPower Spray Arm. By moving water in both directions, it doubles the water coverage in the lower basket - when compared to a traditional spray arm, for a better clean of every dish.

Spotless and Secure

Say hello to clean cutlery and sparkling glasses with the enhanced rack design. CutleryPlus uses five rotating nozzles designed to improve water coverage by up to 25% when compared a spray arm alone. The protective GlassGrip keeps glassware and cups secure during the wash and dry cycle.

Clean and Dry

Designed for optimal results, the fan circulates warm air and the door automatically opens at the end of the cycle - to deliver low energy drying*. For plastics, activate the Dry+ modifier for an even better dry.
*When compared to equivalent cycles without automatic door opening function activated.

Considered Design

This 42dBA dishwasher minimises noise for a quieter kitchen. Featuring two LED lights to illuminate the baskets for better visibility during loading and unloading, the sleek design seamlessly integrates with other Haier appliances.

Everyday Flexibility

Maximise convenience with a spacious design and customisable baskets. Fit dishes up to 320mm thanks to the adjustable middle basket, with foldable tines, cup racks, and wine glass supports. With Wi-Fi connectivity, you can also control your dishwasher on the go through the SmartHQ™ app.

Clean with Confidence

Aquastop technology provides an extra layer of protection by automatically shutting off the water supply if a leak is detected. Designed and tested for Kiwi and Aussie families, this dishwasher offers peace of mind with a 2-year warranty and 24/7 local service support.
