

6kg 300 Series Top Loader Washing Machine

With a soft-close glass lid to make loading easy, as well as a Quick cycle that finishes your washing in just 12 minutes.

- With seven wash cycles, from Heavy to Wool and Delicate
- Includes a Quick cycle that washes lightly soiled, small loads in just 12 minutes
- Auto sensing can sense your load size, to optimise water use
- With Delay Start function so your wash works around your schedule

DIMENSIONS

Height	900 mm
Width	530 mm
Depth	520 mm

FEATURES & BENEFITS

Super-Fast For Busy Lives

Wash your lightly soiled small loads in 12 minutes with a super-fast Quick wash cycle.

Designed To Be Easy-To-Use

Durable toughened-glass lid, with soft-close for easier loading and unloading. An intuitive control panel and LED display give you simple cycle and option selection.

Smart Sensing For Better Water Efficiency

A pulsating wash action uses less water than conventional agitator machines, while sensors automatically detect the load size to optimise water use.

Works Around Your Schedule

Take charge of your time with a Delay Start function, where you can set and forget for up to 24 hours.

SPECIFICATIONS

Capacity

Total capacity	6 kg
----------------	------

Consumption

Energy rating	2 star
Energy usage	480 kWh/year
Water rating (WELS)	3 star
