- Super Cool™ and Super Freeze™ functions for quick cooling or freezing

DIMENSIONS

Height	**1635 mm**
Width	**623 mm**
Depth	**670 mm**

FEATURES & BENEFITS

Considered design

This refrigerator is designed to fit perfectly into common kitchen cavity heights of 170cm, with a modern flat door, recessed handle and exterior controls for ease of use.

Energy savvy

Designed with energy efficiency in mind, with a 4.5-star energy rating

Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Cool or chill, fast

In your freezer you can select Super Freeze™, which helps to lock in freshness, flavour and texture fast. Or, with the push of a button, turn on Super Cool™ to cool food or chill drinks quickly.

Lasting freshness

A crisper bin lets you store different fruit and vegetables, helping to preserve their freshness and flavour.

Holiday mode convenience

Turn on Holiday mode when you're going away, to minimise energy use until you're home.
