508L 600 Series Quad Door Refrigerator Freezer, Water, Non-plumbed

600 Series

Satina | French hinge

Switch Zone™ technology and Humidity Zone drawers help to create the ideal environment for various foods, with a modern flat door design.

- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria*
- Door water dispenser with a refillable interior water tank

DIMENSIONS

Height	**1775 mm**
Width	**830 mm**
Depth	**705 mm**

FEATURES & BENEFITS

Switch Zone™ Flexibility

When you need extra space, Switch Zone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature from -18°C to +5°C.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Anti-Bacterial Treatment (ABT) protection

Air is circulated through an advanced ABT filter that kills up to 99.9% of bacteria,* helping to ensure a fresh and hygienic storage environment for your food.
*Independently tested to remove greater than 99.99% of Staphylococcus aureus, Escherichia coli, Listeria monocytogenes, Salmonella aertrycke, Shigella sonnet and Yersinia enterocolitica.

Considered Design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights. Available in a black or Satina finish, to suit any kitchen design.

4.5 Star Energy Rating

This quad door refrigerator looks after your fresh foods with an impressive 4.5 star energy rating.

Lasting Freshness

Two Humidity Zone drawers provide ideal humidity-controlled conditions to store your fresh fruit and vegetables.
