Chilled water, whenever you need it, with an easy-to-refill non-plumbed dispenser

DIMENSIONS

Height	1725 mm
Width	790 mm
Depth	707 mm

FEATURES & BENEFITS

More room for fresh food

With a 70:30 fridge-to-freezer split, this refrigerator is designed for fresh food lovers. More fridge space and a dedicated Humidity Zone[™] drawer help keep your fruit, veg, or deli items crisp, flavourful, and organised.

Energy hero

Designed with energy efficiency in mind with a 5-star energy rating.

Keep produce at its best

Designed to lock in freshness, two full-width bins create the ideal environment to keep your fruits and vegetables crisp, delicious, and ready to enjoy for longer.

Chilled water, made simple

Enjoy chilled water straight from the door with a nonplumbed dispenser. The interior water tank is easy to refill, giving you refreshing water without the hassle of installation.

Considered design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights.

Even cooling

Multi-Zone Air ensures cool air circulates evenly across every shelf and corner. Your food stays at the perfect temperature for longer-lasting freshness and flavour.

Lock in freshness fast

The Super Freeze function works quickly to freeze food, helping to preserve its taste, texture, and nutrients. Perfect for meal prep, leftovers, or stocking up on essentials.
