This dishwasher features modern styling and a Satina finish to match Haier refrigerators, with soft-touch controls, an LED display and a child lock for peace of mind.

Flexible Loading

Featuring a generous capacity, this dishwasher also has a height-adjustable upper basket to make room for tall dishes up to 32cm in the lower basket, plus foldable cup racks and tines for even more flexibility.

Auto Wash Sensing

The Auto Wash program uses sensors to detect how dirty your dishes are and set the ideal wash, reducing unnecessary water and energy use for a more efficient clean.
