Depth	**508 mm**

FEATURES & BENEFITS

Hood to Hob compatibility

This rangehood features linked hood to hob capability, allowing you to pair it with a compatible Haier cooktop via Bluetooth. Once paired, the rangehood will seamlessly match the extraction rate to your cook zone power levels, so you always have the ideal extraction rate.

Stay connected

Use your phone to control this rangehood from anywhere with Wi-Fi and the SmartHQ™ app. Turn it on or off, increase or decrease the extraction rate, or even set a night light schedule. You can also get alerts and updates straight to your device, making sure you're always in the loop.

Clean and pristine

Built from stainless steel, this rangehood is easy to keep clean. Put the black aluminium filters into your dishwasher regularly for a quick, simple clean.

A joy to use

Thoughtful design features enhance your cooking experience, with simple touch controls that turn on extraction immediately, and low-energy LED lighting to perfectly illuminate your cooktop.

Effective extraction

Select between three fan speeds to ensure steam, odours and grease are extracted from your kitchen at the rate you need for your cooking.

Installed to suit

This rangehood offers ducted or recirculated extraction, so you can choose the solution that best suits your kitchen.
