Depth	**520 mm**

FEATURES & BENEFITS

Low Current Induction

This compact induction cooktop is the ideal option for replacing your gas or ceramic cooktop. With the potential to use existing wiring, this 19.7A rated current and 4.5kW rated power induction cooktop supports cost effective installations.

Matching Design

The sleek black aesthetic matches the wider Haier family of appliances, pairing well with our black glass wall oven.

Rapid Heating For Busy Lives

Your induction cooktop is instant-response and heats rapidly, with precise control and a boost function for when you're in a hurry.

Your Safety In Mind

The induction cooktop remains cool-to-touch until a pot or pan is placed on the surface, for safety in your kitchen.

Easy Cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.

Energy Efficiency

Your induction cooktop only heats when cookware is placed on it, so less heat is wasted making it more energy-efficient than gas or electric cooking.

Intuitive Controls

With easy-to-use slide controls and a child lock for added safety. Choose from over nine heating settings, plus a boost function, for versatile cooking.
