90cm 500 Series Freestanding Cooker, Induction

500 Series

Stainless Steel

With a generous capacity, intuitive controls, and modern design, this Freestanding Cooker makes it simple to prepare delicious meals for any occasion.

- Induction cooktop with five cook zones. Pair two of them to create a Flexi Zone
- 149L oven with 11 functions, including Air Fry
- Steam-assisted cooking and cleaning using the cavity
- Available in Silver Stainless or Black, pair with a matching Haier 90cm Rangehood for a modern, cohesive look

DIMENSIONS

Height	**900 - 925 mm**
Width	**897 mm**
Depth	**600 mm**

FEATURES & BENEFITS

Room for every recipe

With five cook zones and a spacious 149L oven, big meals are made easy with ample space for large roasts, family-sized bakes or cooking multiple dishes at once. Available in Black or Silver Stainless, pair it with a family of matching Haier kitchen appliances to create a seamless and coordinated look.

Precise and efficient induction

Induction delivers fast, precise and efficient cooking by using electromagnetic technology to heat your cookware directly. It's more responsive than gas, adjusting almost instantly when you change the temperature for quick, easy control across five cook zones.

Flexible cooking with Flexi Zone

With Flexi Zone, you can pair two zones to make a large cooking surface. Make gravy in a roasting dish, sear a large cut of meat or grill vegetables on a griddle – Flexi Zone gives you even more cooking flexibility.

Specialised oven functions

Cook more of what you love with 11 versatile oven functions, including Pizza, Fan Bake and Air Fry, to recreate your favourite foods with less oil than traditional frying, or explore healthy recipes with a satisfying crunch. Our purpose-built Air Fry trays feature vents that help hot air circulate evenly around your food for a crunchy finish, without needing to turn it partway through cooking.

Steam-assisted cooking

Expand your cooking capabilities with Bakery+Steam. Simply pour water into the cavity at the bottom of the oven, where steam combines with heat to keep dough moist as it rises, creating perfectly crispy crusts and light, fluffy cakes. When you're finished, add a splash of water again to let steam lift away grease and grime for easy cleaning.

Intuitive controls

Robust, sword-style dials are ergonomically designed for a comfortable grip, letting you select the right temperature and function with ease. The built-in touchscreen timer keeps your cooking on track, and partial telescopic runners make it safe and easy to slide hot dishes in and out of the oven.

Cook with confidence

Designed and tested for Kiwi kitchens, this Freestanding Cooker is built with durable materials and reliable Haier technology, supported by a 2-year warranty for added peace of mind.
