FEATURES & BENEFITS

Compact design, maximum convenience

Looking for a dedicated drinks fridge, extra snack storage, or a convenient solution for your office? This sleek, space-saving design provides reliable cooling without taking up unnecessary space.

Keeps your fridge fresh

The H-DEO deodoriser helps reduce some food odours, keeping your fridge fresher for longer with no maintenance required.

Everything in its place

Adjustable shelves and door compartments make it easy to organise everything from tall bottles and fresh produce to condiments, snacks, and daily essentials.

Designed for tall and small

Spacious door shelves fit 1.5L and 2.25L soft drink bottles with ease, keeping them upright and within reach so you can grab a chilled drink whenever you need it.

Cooling you can control

Whether you like crisp salads or ice-cold drinks, the manual temperature control lets you fine-tune the cooling to suit your needs.

A stylish fit for any space

A sleek design fits into any space, while the reversible door gives you the flexibility to suit your layout.
