

The image shows a semi-circular energy rating label. The top half is red with a black curved banner across the middle containing the text 'SUPER EFFICIENCY RATING'. Below the banner, there are seven white stars arranged in a semi-circle. The bottom half of the label is black with the words 'ENERGY RATING' in large white letters. Below this, on a yellow background, is the text 'A joint government and industry program', 'Haier Clothes Dryer Model HDHPS80N Series', and 'Load capacity 8.0 kg'. A white box contains the text 'Energy consumption', a large red box with the number '127', and 'kWh per year'. Below this, in red, is 'Mixed, Dry Level: Dry, used once per week'. At the bottom, on a green background, is the text 'When tested in accordance with AS/NZS 2442.2', 'Actual energy use and running costs will depend on how you use the appliance.', and 'Compare all models at www.energyrating.gov.au'.

SUPER EFFICIENCY RATING

The more
stars the more
energy efficient

ENERGY RATING

A joint government and industry program

Haier Clothes Dryer Model HDHPS80N Series
Load capacity 8.0 kg

Energy consumption

127

kWh per year

Mixed, Dry Level: Dry, used once per week

When tested in accordance with AS/NZS 2442.2

Actual energy use and running costs will depend on how you use the appliance.
