90cm 500 Series Induction Cooktop, 5 Zone, Flexi Zone

Create multiple dishes at once with precise, instant-response induction technology and Flexi Zone. Hood to hob lets you pair this cooktop with a compatible Haier rangehood.

- Five cook zones, two can be paired to make one large Flexi Zone cook surface
- Hood to hob connection pairs extraction rate of a linked rangehood to the cook zone power level
- Instant-response heating for busy lives
- Intuitive multi-slider touch controls

DIMENSIONS

Height	**60 mm**
Width	**900 mm**
Depth	**520 mm**

FEATURES & BENEFITS

Flexible cooking with Flexi Zone

With Flexi Zone, you can pair two zones to make a large cook surface. Make gravy in a roasting dish, sear a large cut of meat or grill vegetables on a griddle – Flexi Zone gives you even more cooking flexibility.

Intuitive controls

With easy-to-use multi-slider touch controls choose from over nine heating settings, plus a boost function for versatile cooking and a child lock for added safety.

Hood to Hob compatibility

This cooktop features linked hood to hob capability, allowing you to pair it with a compatible Haier rangehood via Bluetooth. Once paired, the rangehood will seamlessly match the extraction rate to your cook zone power levels, so you always have the ideal extraction rate.

Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.

Matching design

The sleek black aesthetic of this cooktop matches the wider Haier family of appliances, pairing well with a black glass wall oven.
