### FEATURES & BENEFITS

#### More fridge, more flex

With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone™ and Humidity Zone™ create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.

#### Switch Zone™ technology

When you need extra space, Switch Zone™ gives you the freedom to change the top left compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.

#### Energy savvy

Designed for energy efficiency, with a 4-star energy rating.

#### Humidity Control System

A Humidity Zone™ drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

#### Cold water on tap

A water dispenser makes it simple to reach for a glass of chilled water. The internal water tank is easy to refill and doesn't require plumbing, while the interior twist ice maker and collection bin makes storing ice simple.

#### Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

#### Considered design

This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.
