60cm 500 Series Box Chimney Wall Rangehood

500 Series

Stainless Steel

Keep your kitchen free of steam, grease, and cooking odours thanks to this stylish and effective rangehood, with three fan speeds.

- Efficient 700m3/hr air flow
- Easy to clean, with dishwasher-safe filters
- Energy-efficient LED lights illuminate your cooktop perfectly
- Ducted or recirculation options for more flexibility when installing

DIMENSIONS

Height	**540 - 1020 mm**
Width	**598 mm**
Depth	**500 mm**

FEATURES & BENEFITS

Effective, Efficient Extraction

Select between three fan speeds to ensure steam, odours and grease are extracted from your kitchen at the rate you need for your cooking.

Clean And Pristine

Built from beautiful stainless steel, this rangehood is easy to keep clean. Put the aluminium filters into your dishwasher regularly for a quick, simple clean.

A Joy To Use

Creating culinary delights is a pleasure thanks to design features such as simple push-button controls that turn on extraction immediately, and low-energy LED lighting to perfectly illuminate your cooktop.

Installed To Suit

This rangehood offers ducted or recirculated extraction, so you can choose the solution that best suits your kitchen.
