FEATURES & BENEFITS

Flexibility For Every Room

With its compact yet spacious design, this wine cabinet easily fits into every room, from the kitchen to the home bar. Its small size doesn't compromise on storage, allowing you to preserve a selection of wines. Ideal for homes of any size, it provides a practical and stylish way to store and display your collection.

Pre-Set Wine Modes

Our easy-select wine modes feature two settings specifically designed for red and white wines, ensuring each bottle is stored under ideal conditions to preserve its unique flavour and quality.

Customisable Temperature Control

For wine lovers who value precision, our temperature control feature lets you set your cabinet's internal temperature from 5-20°C, in 1°C increments. This allows for the fine-tuning of storage conditions to suit a variety of wines.

Store Up To 33 Bottles

Easily store up to 33 standard wine bottles using our durable beech wood shelving, complete with a protective bottle guard. The beech wood adds both stability and a touch of style to your storage, while also securing your bottles on the bottom shelf.

Anti-Uv Glass Door

Protect your wines from harmful UV rays with our anti-UV, triple-glazed glass door. Enjoy peace of mind, knowing that your precious bottles are protected and their flavours and characteristics remain intact.

Reversible Door

The added convenience of a reversible door hinge lets you change the opening direction, providing flexibility to suit your space.

Stylish Display

Enhance your space with the sleek black glass exterior and recessed handles of this wine cabinet. Illuminate your collection with LED lighting, creating a stunning display for your bottles.
