- Even convection heating on every shelf

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	569 mm

FEATURES & BENEFITS

Inspired Colour Choices

With a contemporary square handle and monochromatic black glass finish, this Haier oven is the perfect complement to your kitchen. Strong and absolute, our black glass oven can recede into dark kitchen environments or create a dramatic contrast against lighter cabinets and benchtops. For those seeking more inspired colour choices to match their design aesthetic, this model is also available in stainless steel, mid grey and light grey.

Healthier Cooking

The options are endless with our specialised Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Versatile Oven Functions

Seven specialised cooking functions help you to cook a range of dishes, including Pizza Plus and Pastry Plus for a perfectly cooked base or golden pastry crust.

Easy Cleaning

Self-cleaning catalytic side panels in the oven help to absorb and break down fat and splatters during cooking. The oven door and inner glass can also be removed for full access to the interior when cleaning.

Considered Features

Designed for effortless handling, this oven has a soft-close door, telescopic shelf runners and a triple-glazed glass door that remains safe to touch from the outside.

Intuitive Control

Simple dials and a convenient touch display provide easy and convenient control over your cooking. Time your cooking effortlessly using the minute timer or program cooking duration.
