463L 600 Series Quad Door Refrigerator Freezer

SwitchZone TM technology and humidity-controlled bins help to create the ideal environment for various foods, with a modern flat door design.

- SwitchZone[™] compartment lets you change the temperature between -18°C to +5°C
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria*
- · Dual humidity-controlled vegetable bins

DIMENSIONS

Height	1775 mm
Width	830 mm
Depth	636 mm

FEATURES & BENEFITS

Switchzone™ Flexibility

When you need extra space, SwitchZone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Anti-Bacterial Treatment (ABT) protection

Air is circulated through an advanced ABT filter that kills up to 99.9% of bacteria,* helping to ensure a fresh and hygienic storage environment for your food.

*Independently tested to remove greater than 99.99% of Staphylococcus aureus, Escherichia coli, Listeria monocytogenes, Salmonella aertrycke, Shigella sonnet and Yersinia enterocolitica.

Considered Design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights.

4-Star Energy Rating

This quad door refrigerator looks after your fresh foods with an impressive 4-star energy rating.

Lasting Freshness

Two Humidity Zone drawers offer ideal humiditycontrolled conditions to store your fresh fruit and vegetables.
