137L 300 Series Hybrid Chest Freezer

300 Series

White

This chest freezer delivers cooling from all four sides to help keep food evenly chilled. Hybrid temperature modes, an antibacterial liner, and a soft-close lid make storage clean, quiet, and efficient.

- Switch between fridge and freezer modes with hybrid temperature control
- Even cooling from all four sides for lasting freshness
- Antibacterial liner and door seal
- 6-star energy rating

DIMENSIONS

Height	**845 mm**
Width	**695 mm**
Depth	**555 mm**

FEATURES & BENEFITS

Cooling that fits

From everyday meals to seasonal extras, this 6-star chest freezer is made to flex with you. Switch between fridge and freezer modes, set the exact temperature from -26°C to 10°C, and enjoy all-over cooling that helps keep food fresh.

All-over, even cooling

This chest freezer delivers cooling from all four sides to help chill food quickly and evenly. Whether you're storing fresh groceries or frozen meals, the even temperature helps keep everything properly preserved, wherever it's placed inside.

Designed for healthy storage

An antibacterial liner and removable antibacterial lid seal help protect your food and keep the freezer cleaner and more hygienic.

Stays cold without power

Maintains a cold internal temperature for up to 140 hours during a power cut, helping to keep the contents cooler for longer.

SuperFreeze™ function

Our SuperFreeze™ function quickly lowers the freezer temperature to help preserve the flavour, texture and nutritional value of your food.

Easy to clean

A handy drainage outlet makes it easier to empty out water when cleaning or defrosting.
