Height	455 mm
Width	595 mm
Depth	572 mm

FEATURES & BENEFITS

Elevated design

Designed to match with a Haier wall oven to create a complementary pair that co-ordinates with any kitchen style, while adding flexibility and versatility to your cooking through microwave and convection functionality.

Healthier cooking with Air Fry

The options are endless with our specialised Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Versatile cooking functions

11 cooking functions help you to cook a range of dishes, whether you're choosing traditional convection oven functions such as Grill and Fan Forced, or specialised functions such as Proof and Air Fry. Four microwave functions in your oven add even more versatility to heat, melt, defrost and more.

Intuitive control

Convenient touch display provides easy control over your cooking. Time your cooking effortlessly using the minute timer, or program the cooking duration.
