DIMENSIONS

Height	**900 - 925 mm**
Width	**897 mm**
Depth	**600 mm**

FEATURES & BENEFITS

Room for every recipe

With 5 zones and a spacious 149L oven, big meals are made easy with ample space for large roasts, family sized bakes or cooking multiple dishes at once. Available in Black or Silver Stainless, pair it with a family of matching Haier kitchen appliances to create a seamless and coordinated look.

Powerful gas cooktop

Enjoy the power and reliability of gas with five burners that give you precise control for everything from gentle simmering to high-heat searing. A dedicated wok burner makes stir-fries quick and effortless, giving you the versatility to cook all your favourite meals.

Specialised oven functions

With 11 versatile oven functions, including Pizza, Fan Bake, and Maxi Grill, you have the flexibility to create everything from weeknight dinners to special occasion feasts.

Steam assisted cooking and cleaning

Expand your cooking capabilities with Bakery+Steam. Simply pour water into the cavity at the bottom of the oven, where steam combines with heat to keep dough moist as it rises, creating perfectly crispy crusts and light, fluffy cakes. When you're finished, add a splash of water again to let steam lift away grease and grime for easy cleaning.

Air Fry for a satisfying crunch

The options are endless with our dedicated Air Fry function. Recreate your favourite foods with less oil than traditional frying, or explore healthy recipes with a satisfying crunch. The purpose-built Air Fry trays feature vents that help hot air circulate evenly around your food for a crunchy finish, without needing to turn it partway through cooking.

Intuitive controls

Robust, sword-style dials are ergonomically designed for a comfortable grip, letting you select the right temperature and function with ease. The built-in touchscreen timer keeps your cooking on track, and partial telescopic runners make it safe and easy to slide hot dishes in and out of the oven.

Cook with confidence

Designed and tested for Kiwi kitchens, this Freestanding Cooker is built with durable materials and reliable Haier technology, supported by a 2-year warranty for added peace of mind.
