- 5-star energy rating

## DIMENSIONS

| | |
|---|---|
| **Height** | **845 mm** |
| **Width** | **2042 mm** |
| **Depth** | **780 mm** |

## FEATURES & BENEFITS

**Cooling that fits**

With a spacious capacity for everyday meals or seasonal extras, this chest freezer is built to suit your needs. The dual door lid makes it easier to access what you need. Easily switch between fridge and freezer modes and set the right temperature from –30°C to 10°C for even, reliable cooling.

**Extra-large capacity**

An expansive 692L capacity provides room for bulk storage, from big grocery hauls to large cuts of meat or seasonal produce, so you'll always have space when you need it.

**All-over cooling**

This chest freezer delivers cooling from all four sides to help chill food quickly and evenly. Whether you're storing fresh groceries or frozen meals, the even temperature helps keep everything properly preserved, wherever it's placed inside.

**Stays cold without power**

Keeps items in the freezer below 0°C for up to 249 hours during a power cut.

**Bright LED lighting**

Bright, energy-efficient lighting illuminates the freezer, making it easy to find what you need, day or night.

**Easy to clean**

A handy drainage outlet makes it easier to empty out water when cleaning or defrosting.

**SuperFreeze™ function**

Our SuperFreeze™ function quickly lowers the freezer temperature to help preserve the flavour, texture and nutritional value of your food.
