

# 10kg 600 Series Top Loader Washing Machine, UV Protect

This spacious top loader uses intelligent technologies to gently care for your fabrics, with UV Protect and convenient Smart Dosing.

- 12+ wash cycles to care for a range of fabrics, with access to new cycles via the SmartHQ™ app
- Specialised UV Santise wash option helps to kill bacteria\*
- 4.5 star energy rating and 4 star water rating
- Direct Motion direct drive motor technology for quiet and reliable washing

## DIMENSIONS

|        |         |
|--------|---------|
| Height | 1058 mm |
| Width  | 610 mm  |
| Depth  | 620 mm  |

## FEATURES & BENEFITS

### Uv Protect

UV Protect is designed to help kill bacteria using UV light. Pair UV Sanitise with the Hygiene wash cycle to kill more than 99.99% of bacteria.\*

### Intelligent Washing

Simple and easy, Smart Dosing automatically delivers the correct amount of laundry detergent based on your load size and wash cycle. Now with pre-mixing, detergent is diluted before entering the wash, helping to avoid residue on your clean clothes.

### Considered Design

This dark top loader washing machine brings a contemporary finish to your laundry, with intuitive touch controls. The toughened glass lid has a soft-close mechanism for effortless handling and a durable finish in your laundry.

### Gentle Wash Action

With a gentle pulsating wash action, pillow drum and intelligent wash algorithm, this top loader is designed to clean effectively while reducing tangling – helping to keep your clothes at their best for longer.

### Smart Control

With the SmartHQ™ app and Wi-Fi connectivity, you're in control - anytime, anywhere. Start or stop your laundry cycles and get timely alerts on your smartphone once your washing is done. You can also access additional downloadable cycles as they are released.

### Specialised Wash Cycles

Care for a variety of different fabric types with 12+ dedicated wash cycles including Wool, Delicate and Hygiene. And with the SmartHQ™ app you can download new wash cycles as they become available for targeted fabric care.

### Attention To Detail

Clever features in our top loader washers help to ensure beautifully clean results. The spray nozzle design delivers an effective rinse, using minimal water. And a bionic filter helps to capture lint and prevent it from flowing back into the wash.

## SPECIFICATIONS

### Capacity

|                |       |
|----------------|-------|
| Total capacity | 10 kg |
|----------------|-------|
