- Clever Rotisserie accessory for a superb roast
- Pyrolytic Self-cleaning function breaks down food residue to make cleaning a breeze

## DIMENSIONS

Height	595 mm
Width	595 mm
Depth	569 mm

## FEATURES & BENEFITS

### Elevated Design

In stainless steel and black glass, this oven provides balanced contrast to suit a range of kitchen styles. Durable and naturally reflective, stainless steel brings a sleek and timeless finish to your kitchen, complemented by a refined square handle design.

### Healthier Cooking

The options are endless with our specialised Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

### Let Your Oven Clean Itself

Keep your oven pristine with three effortless self-cleaning functions. Hydro Easy Clean uses steam to break down fat and food residue, while Pyrolytic Self-clean uses a high temperature to remove baked-on grime, also available on Eco for a lighter clean.

### Rotisserie Cooking

The clever Rotisserie accessory in our ovens makes it easy to create a succulent roast, rotating to circulate juices evenly. With room to cook vegetables below, you can choose to use the Rotisserie with Bake or Grill cooking functions.

### Versatile Oven Functions

With 14 oven functions, you have more options to master a range of dishes. Create a perfect, golden crust with Pastry Plus, or try our specialised Low Temperature function to keep foods tender.

### Considered Features

Designed for effortless handling, this oven has telescopic shelf runners and a triple-glazed glass door that remains safe to touch from the outside.

### Intuitive Control

An intuitive touch control panel offers simple control over your cooking settings and a seamless finish in your kitchen. Plan and time your cooking effortlessly using the minute timer and delay start, or program cooking duration.
