

# Induction Cooktop, 30cm, 2 Zones

Black Glass

A compact cooktop with precise, instant-response and energy efficient induction technology.

- Two zones with precise heat control
- Immediate heat response and rapid heating for busy lives
- Cool-to-touch until cookware is placed on top, for safety
- Designed to pair with a Haier black or stainless steel wall oven

## DIMENSIONS

Height	60 mm
Width	288 mm

Depth	520 mm
-------	--------

## FEATURES & BENEFITS

### Matching design

The sleek black aesthetic matches with the wider Haier family of appliances, pairing well with a stainless steel or black wall oven.

### Rapid heating for busy lives

Your induction cooktop is instant-response and heats rapidly, with precision control and a boost function when you're in a hurry.

### Your safety in mind

A 'cool to touch' induction surface only heats when a pot or pan is placed on the surface, making it safer for pets and curious little hands.

### Energy efficiency

Your induction cooktop heats only when cookware is placed on top, conserving energy the moment it is removed.

### Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, preventing baked-on spills. A quick wipe after use will keep you cooktop looking as good as new.

### Intuitive controls

With simple to use slide controls, and a child lock for safety.

## SPECIFICATIONS

### Controls

Family match	<b>Black &amp; Stainless steel wall</b>
Timer	•
Touch control glass interface	•

### Performance

Heat settings	9
---------------	---

Sensor in coils	•
